**1ST  
ANNOUNCEMENT**

1<sup>ST</sup> ANNUAL STATE CONFERENCE OF  
**CHHATTISGARH ASSOCIATION OF  
MEDICAL MICROBIOLOGISTS**

**“Microbiology Beyond The Petri Plates”**

*Organized by*

**ALL INDIA INSTITUTE OF MEDICAL SCIENCES, RAIPUR  
16<sup>th</sup>-17<sup>th</sup> September 2017**

**Dear Members and Colleagues,**

On behalf of the organizing committee of **CGMICROCON-2017**, the 1<sup>st</sup> Annual Conference of Chhattisgarh Association of Medical Microbiologists, we are pleased to invite you to this conference to be held on 16<sup>th</sup>-17<sup>th</sup> September, 2017 at All India Institute of Medical Sciences, Raipur.

Medical Microbiology has been considered as a purely laboratory bench science since the time of its inception, despite its certain and positive impact on managing a patient with infectious diseases. This vital science can be made optimally effective only when there is an amalgamation of laboratory bench and patient bed. The theme of this conference is therefore stated as **“Microbiology beyond the Petri plates”**.

The objective of this conference would be to discuss Clinical Microbiology to bridge the existing gap between the Medical Microbiologists and Clinicians with the ultimate aim of better management of infectious diseases in various health care settings.

The expert speakers would comprise of eminent microbiologists, scientists and senior infectious disease practitioners who are specialists in their respective field from across the country.

The organizing committee promises that it would be a unique academic feast worth attending. We would be delighted to have you present at the conference to listen to the experts which would be an enriching experience. We would also love to hear your experience, thoughts and opinions.

We look forward to your confirmed presence in this conference. Kindly ensure timely and maximum registration.
